

Voyageurs Area Council

Silver Beaver Award

Regulations and Procedures

The Silver Beaver Award is presented by the National Council, Boy Scouts of America, through the local Council to adult volunteer Scouters for their distinguished service to youth and their community. The award is intended to acknowledge noteworthy service of exceptional character to youth by registered Cub Scouters, Scouters, Varsity Scouters and Venturing leaders within the territory under the jurisdiction of the local Council.

It is considered the highest award a Boy Scout Council can bestow on a volunteer Scouter.

Eligibility

Any currently registered adult Scouter (21 or older) within the Voyageurs Area Council who has a record of quality service to Scouting, his or her community, and non-scouting youth, is eligible for nomination. Nominations will not be considered for professional Scouters or Council employees within 5 years of their leaving employment. Nominations cannot be considered for posthumous awards. There are no prerequisites such as District Award of Merit or Wood Badge.

The nature and value of noteworthy service of exceptional character could consist of a single significant action with extraordinary results, a plan of various activities contributing to the lives of a large number of youth, or it may be results generated over an extended time with a relatively small group.

Nominations

- Nominations may be initiated by adults who have served with the nominee or who are otherwise personally familiar with the nominee's service record. Self-nomination disqualifies the candidate.

No more than four letters of recommendation will be accepted. They may be from any of the following: Church, Civic/Community/Fraternal (including but not limited to Scouting), Professional/Trade/Business, and Scouting Nominator.
